

CESTAL00058

Profilo ad H ideale per realizzare sottili linee di luce, anche nella versione biemissione, con la possibilità di avere una buona resa luminosa. Gli accessori consentono l'installazione a sospensione e a parete nella versione biemissione, ad incasso e a plafone nella versione monoemissione. Inoltre, le varie tipologie di coperture disponibili consentono la creazione di differenti effetti luminosi in base alle esigenze progettuali.

H-profile ideal for creating thin light lines, even in the bi-emission version, with the possibility of having a good light output. The accessories allow suspension and wall installation in the bi-emission version, recessed and ceiling-mounted in the mono-emission version. The various types of covers available allow the creation of different lighting effects according to the design requirements.

Profilo adatto per la realizzazione di prodotti che hanno ottenuto la certificazione ETL LISTED di conformità ai requisiti di sicurezza per USA e Canada.

Profile suitable for the realization of products that have obtained the certification ETL LISTED for compliance with safety requirements for USA and Canada.
