

CESTAL00096

Profilo a sezione rettangolare di dimensioni minime, 7mm x 6mm, adatto ad applicazioni in cui è necessario avere una buona resa luminosa contenendo al minimo gli ingombri. Le installazioni tipiche sono ad incasso in fresata all'interno di mensole espositive con un effetto estetico minimale.

Rectangular section profile of minimum dimensions, 7mm x 6mm, suitable for applications where it is necessary to have a good light output keeping the minimum overall dimensions. The typical installations are recessed in milled inside display shelves with a minimal aesthetic effect.
