

Nome Name	<b>BRACO LIGHTBOX</b>
Codice Code	<b>LB55</b>
Descrizione Description	Sistema componibile ad elevata emissione luminosa Modular system with high light output
Emissione Emission	mono-emissione
Protezione Protection	IP20
Certificazioni Certification	    

**Caratteristiche meccaniche Mechanical characteristics**

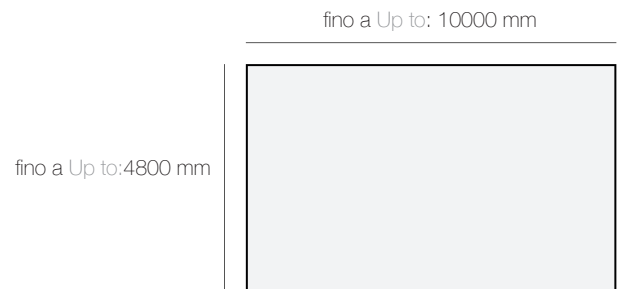

Materiale Material Profilo alluminio - tessuto Aluminum profile - fabric

Altezza Height: 55mm

Dimensioni standard Standard dimensions:

Dimensioni fuori standard Not standard dimensions

Dimensioni fuori standard devono essere valutate dall'ufficio tecnico.  
Non-standard dimensions must be approved by the technical department.

Finitura Finishing  

Forme Shapes:

### Caratteristiche illuminotecniche Lighting characteristics

Tensione Voltage 24V
